AFRICA

The body of Christ in Africa and the world should be a body that focuses on enlightenment and encouragement in the scriptures.

Acts 17:10

Now the Berean Jews were of more noble character than those in Thessalonica, for they received the message with great eagerness and examined the Scriptures every day to see if what Paul said was true.

SURRENDER OUR LIVES ON GOD

PROVERBS 11:17

This involves making God our ultimate priority, submitting to His Lordship and aligning our daily actions with biblical principles rather than personal ambitions/worldly desires.

As much as it is a process of transition from self reliance to dependance on God ,we should live as living sacrifices to be used as His purposes considering the following factors:

1. Reading the scripture/Bible daily.

-It should be a self driven habit to know God's promises and commandments to us. Not just reading but apply what we learn our daily actions as they speak louder than words in **James 2:17**. By doing so; we are guarded against temptations.

2. Fearing and worshipping God

-Choose to praise God even in most difficult circumstances recognizing that pain can drive you closer to Him and grow spiritually.

3. Serving and loving

As it is one of the greatest commandments; to love our God with all our heart, soul and mind and above all love our neighbors wholeheartedly without expecting any reward **Matthew 22:36-40**. It is our duty to practice love, **1st Corinthians 13:1-10**.

- Let's use God given gifts for His purpose not just for personal gain.
- When we wrong others we are asked regularly to admit our mistakes and sins to God allowing His grace to restore us rather than letting guilt drive us away

It's clear then that we need a reliable, unchanging authority on which we can base our beliefs; one we can trust implicitly and which leaves us knowing exactly where we stand and what to expect for the future. We need a faith that can carry us through all the varying circumstances of life without giving us cause to question it.

Does such an authority exist?

Yes!

In the form of the Bible, the word of God. Consider what it says about the importance of believing what God has declared to be true, rather than what man thinks is right:

A Reliable Faith

“There is a way which seemeth right unto a man, but the end thereof are the ways of death.” **Proverbs 14:12**

“The man that wandereth out of the way of understanding shall remain in the congregation of the dead.” **Proverbs 21:16**

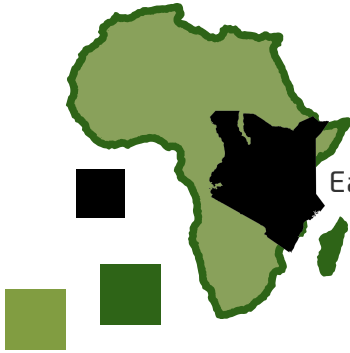

“Every word of God is pure: he is a shield unto them that put their trust in him. Add thou not unto his words, lest he reprove thee, and thou be found a liar.” **Proverbs 30:5-6**

“To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.” **Isaiah 8:20**

The Bible makes it clear that our understanding of it has to be right if we are to benefit from the hope it reveals. There is no scope for man to reinterpret it as he sees fit, whatever society demands. As God himself declares:
